The President stated the business  
of the meeting to be a consultation  
in regard to the adoption of new  
text books in the schools of the  
district, and introduced Mr  
J. H. Holmes agent for A. S. Barnes  
& Co of Chicago - Mr Holmes then made  
the following written offer with guarantee  
from the firm he represented

To the Board of Directors  
District Township of Lincoln  
County of Scott, State of Iowa

Gentlemen,

At the regular meeting of the  
different Township School Boards of the  
county on March, 21, 1881, an effort will be  
made to secure uniformity in regard to the  
School text books now in use in the schools.

We do not advise the making of sweeping  
changes in the matter of text books, but  
call your attention to the fact that in  
many schools there are several text books  
on the same subject. It is needless for  
us to say that this state of things is productive  
of much confusion and inconvenience in  
the arrangement of classes and is an  
evil that should be remedied at the earliest  
opportunity. We beg leave to make to your  
Township in common with others, the  
following proposition, viz To furnish to  
your board any of our publications which  
may be needed for introduction in your  
schools at our special introduction rates.

and to guarantee to furnish you any  
of our publications which may be needed  
for use after completion of the introduction  
at the special prices named in the guar-  
antee which we enclose at the special  
rates named we allow for old books the  
following prices:

For Old First Reader	13¢
" " Second "	25¢
" " Third "	35¢
" " Fourth "	48¢
" " Fifth "	65¢

This extraordinary offer enables your  
schools to obtain all introductory  
supplies at exceedingly low rates.  
If possible I shall meet with your  
board at the regular meeting though  
in case of my being unable to do so  
the accompanying papers will explain  
themselves if carefully examined.

Most Respectfully Yours
